DNA in the Bible

The Bible contains symbols for a reason: these symbols help our simple minds understand the deep things of God. As you look at the example of symbolism below, I ask you a simple question: could the Word of God, compared to the incorruptible seed mentioned in 1 Peter 1:23, be symbolized in the Bible for DNA? If God's Word says in (*Hebrews 13:8*) "*Jesus Christ the same yesterday, and to day, and for ever.*" Could we not surmise that the Word, compared to the seed, is not poetic but symbolic?

The study of DNA is less than 200 years old, yet as you will see in these studies, God, who made seed and human DNA, signified by the numbers 23 and 46, is found in multiple examples for doctrine. Consider the examples below of symbolism in the Bible:

**The Lamb:** An actual lamb was sacrificed in the book of Exodus. Later in the New Testament, we see Jesus Christ presented as the Lamb of God who takes away the sins of the world.

**Water:** A bronze laver was used by the priests in the Old Testament to wash themselves so they could enter the Tabernacle since death would have been the consequence had they not been washed. The spiritual Rock that followed the Hebrews through the wilderness was Christ. Moses was instructed to hit the Rock once, just as Christ was smitten once for our sins, making it possible for the Holy Spirit, the Comforter, to come. In the New Testament, water symbolizes the Holy Spirit.

**TEMPLE** - The temple in the Old Testament was an actual building representing the body of Jesus Christ. In the New Testament, Jesus compares his body to the temple, stating, "... ***Destroy this temple, and in three days I will raise it up***" (*John 2:19*).

**The Table of Showbread** – On the table were 12 loaves, signifying the 12 tribes of Israel. Each week on the Sabbath, the bread was replaced. This bread symbolizes the true bread of life, Jesus Christ. Just like manna was the spiritual meat the Hebrews ate in the wilderness, we need our daily bread to survive spiritually each day.

**POMOGRANATES** – A symbol worn on the high priest's hem. The Temple Institute mentions on its website that the pomegranate contains around 613 seeds, the same number of laws the Lamb of God fulfilled when he died for our sins. The seeds are blood-red, symbolizing death, and the skin inside the pomegranate resembles snake skin. Jesus is the serpent lifted up on a pole in the Old Testament.

As you look at each study, remember the number of occurrences you see the numbers 23 and 46 appear and ask, when does something look to be by design and not by chance?
